Dear Hazardous Waste Transporter:

Your application to transport hazardous waste through and within the State of Rhode Island was received by the Department on the date shown above. Upon review of this application, it has been found to be complete, and is therefore approved by the Department. Your company Permit Number is shown above. This permit number, along with the name of your company, must appear on both sides and the back of all vehicles to be permitted.

Be advised that, the Department has a COMPANY-CERTIFIED inspection Program. The Department regularly performs random, unannounced inspections of permitted units, and expects that strict compliance with the requirements will be maintained at all times. Any unit not in compliance with all inspection requirements is liable for administrative action, including penalties.

Permits issued will be valid until the expiration date shown above. All units must be permitted annually. Renewal permit applications are typically sent out in February and are due in April. If you have any questions you may contact the Office of Waste Management at the information below:
